WASTE & RECYCLING

Collected weekly year-round

What should I do if snow clearing occurs on the same day as my scheduled curbside collection date?

Place carts and blue bags in the center of your driveway (if you do not have a driveway, place bins on edge of lawn), 30 cm or 1 foot inside from the curb line. Carts CANNOT be on the road, sidewalk or in the gutter during snow clearing.

Cart lids must be fully closed. Do not leave bags of garbage, bags of leaves or other material beside the cart, these items will not be collected.

Please have your cart at the collection point by 7 a.m.

If your waste, organics or recycling was not collected, or if your waste or organics cart has been broken, please contact Infrastructure Services at 780-939-2590
