

# PROCLAMATION

## Hydrogen Week in Morinville

**April 22 – 26, 2024**

- WHEREAS: Morinville is proud of the Edmonton region’s longstanding leadership and expertise in the energy sector;
- WHEREAS: Morinville is confident that the Edmonton region’s abundant talent, infrastructure, and resources will position Canada as tomorrow’s global hydrogen superpower;
- WHEREAS: the Edmonton region is a national leader in clean energy and has the experience, infrastructure, and resources to produce low-cost, low-carbon hydrogen at a global scale;
- WHEREAS: the world is transitioning to a net-zero future, and [MUNICIPALITY] is ready to move aggressively as a leader within the Edmonton region to take advantage of this \$2.5 trillion global opportunity for Alberta and Canada;
- WHEREAS: the Edmonton region can help meet domestic and global demand, and decarbonization efforts;
- WHEREAS: Morinville stands ready to help meet Canada’s emissions reduction goals using hydrogen;
- WHEREAS: Canadian and international leaders from across the entire hydrogen value chain are coming together to discuss and invest in the future of the hydrogen sector at the Canadian Hydrogen Convention from April 23–25, 2024 in Edmonton, Alberta;
- WHEREAS: the week of April 22-26, 2024, represents an opportunity for the Edmonton region to showcase its unique strengths in hydrogen production, adoption, use, and innovation;
- WHEREAS: Canada’s path to net-zero runs through the Edmonton region;
- THEREFORE: I, Mayor Simon Boersma, do hereby declare April 22 - 26, 2024, as Hydrogen Week, in the Town of Morinville.

Mayor Simon Boersma
